

Assalamu Alaikum.

Alhamdulillah, youth events at AMCC are growing in attendance and we are so excited to offer more fun filled events in the future in sha Allah!

2023, in sha Allah, will be packed with many programs, and we strive to make our events very productive. One of the key ways to have productive events is to prepare in advance and advance RSVP helps us prepare adequately for all attendees.

With this said, a strict RSVP policy will be implemented with a formal check in policy at each event to ensure there is a safe ratio of children to adults as well as sufficient food and activity supplies.

As we are part of an Islamic organization our guidelines are from the Quran and Sunnah. We continue to uphold a zero-tolerance policy for behaviors or acts that do not align with our strong Islamic values and beliefs.

JazakAllahu Khairun for understanding as we move forward with the growth of our beautiful community Alhamdulillah.
